*If that person is AOK insured.

Special medical services

If your health starts to falter, we are prepared. Our regional network of clinics, doctors and therapists is there to help you. By working together, we ensure optimum preventive care, fast diagnostics and state-of-the-art medical treatment and therapy.

Every health is individual, which is why there are a variety of special medical health services, including, for example

- **Mental health** – quick help for mental health problems
- **Pain therapy** – better care and support

→ [All info](#)

We also support you with high blood pressure with the **AOK-Herzgesundheit digital** programme. With the help of an app and the support of a coach, you can significantly improve your values through exercise in just twelve weeks.

The AOK health voucher

Yoga - Functional training - Outdoor fitness - Back fitness - Pilates - Healthy nutrition and much more

Want to get active for your health? Excellent! The **AOK health voucher** supports you in this. Twice a year, you can choose a course from a wide range of AOK health partnerships and take part free of charge. Hundreds of courses from over 100 partnerships – also in your neighbourhood.

This is how it works:

1. Request an AOK health voucher

- **In person:** You can obtain the **AOK health voucher** at our branches or by calling: **Tel. 0421 1761-0**
- **Online:** Simply open the link, fill in the contact form and the voucher will be in your letterbox a few days later!

→ [All info](#)

2. Choose a course

Choose a course that suits you and register directly with one of our health partnerships.

→ [All info](#)

3. Free participation

You hand in your **AOK health voucher** to our health partnership at the start of the course. Important: The course is free of charge for you as soon as you attend at least 80% of the course units. Otherwise, our health partnership is entitled to charge you for the costs.

Health courses from other providers

If you can't find a suitable course programme in your area from our health partnerships, you can choose from other quality-approved health courses from other providers. We will reimburse 80% of the costs twice per calendar year up to a maximum of 110 euros per course. Please call us before the start of the course to clarify the possibility of reimbursement.
